

Lecture #15 - October 12th - Predicate / First-Order Logic

Lecture #16 - October 19th - Inference in Predicate Logic

Lecture #17 - October 21st - Quantifying Uncertainty

Lecture #18 - October 26th - Bayesian Networks

Lecture #19 - October 28th - Bayesian Networks

Lecture #20 - November 2nd - Making Simple Decisions

Lecture #21 - November 4th - Decision Networks

Lecture #22 - November 9th - Introduction to Machine Learning

Lecture #23 - November 11th - Machine Learning continued

Lecture #24 - November 16th - Deep Learning

Lecture #24 - November 18th - Reinforcement Learning
